N.B.

Type-approval decisions of the National Board of Navigation are issued for max. five years at a time. After that the manufacturer should apply for a new type-approval. If the importer or manufacturer does not send in a new application in time, the appliance will be deleted from the next edition.

A type-approved appliance or equipment, which has already been bought to the ship may be used as long as it is fit for use, if provisions do not prescribe otherwise.

Date of expiry: --- means that the appliance or equipment concerned is approved until further notice.

The marking "*" means that the appliance concerned is approved according to the International Convention for the Safety of Life at Sea 1974 as amended in 1983.
